All Utility services are billed monthly on paper statement. The meters are read on the last working day of the month and bills are mailed out no later than the 10th. **Payment is due by 4:00 p.m. on the 25th of the month. Notices are sent on the 26th with a \$25.00 late fee added. If payment is not received by the 4th shut-off of services will occur without further notice on the morning of the 5th,** and there will be a \$50.00 reconnect fee to get utilities turned back on. There will also be a \$25.00 fee if payment is made with an NSF check.

If the meter at your residence is located inside the house or garage, please be sure arrangements are made so that it is accessible to the meter reader on each meter reading day. Please keep gates unlocked and your dog tied up or placed in your home so that the meter reader can read your meter. If the meter reader is unable to read your meter, he will leave a postcard for you to put your meter reading on. Please read your own meter that day and return it to us immediately. If we don't receive your card actual usage will continue to accumulate and you will be responsible for this usage.

WATER – CROSS CONNECTION

13.05.100 2 (b) Any cross connection. For purposes of this chapter, a cross connection shall be defined as: “Any physical arrangement whereby a public water supply is connected, directly or indirectly, with any nonpotable or unapproved water supply system, sewer, drain, conduit, pool, storage reservoir, plumbing fixture or other device which contains, or may contain, contaminated water, liquid, gases, sewage, or other waste, of unknown or unsafe quality which may be capable of imparting contamination to the public water supply as a result of backflow. Bypass arrangements, jumper connections, removable sections, swivel or change-over devices and other temporary, permanent or potential connections through which, or because of which, backflow could occur, are considered to be cross connections;”

Note: Specifically West Coulee Dam has domestic drinking water and irrigation water which services toilets and outside irrigation hose bibs. Please do not DRINK the irrigation water as it is not treated water.
